

" Fellow SJA Alum,

A great way to support our school, without it costing any of us a dime, is to enroll in the Kroger Community Rewards Program. The Kroger Co. established the Community Rewards program to allow non-profits to accrued dollars for their charities. The program is set up to distribute monies each quarter. In the past 2 plus years, the St. Joan of Arc parish community has participated in the program. The recipient of the monies is our school's Technology Fund. The Technology Fund helps to defray the cost of computer purchases and IT software for the computer labs and throughout the school. Because technology moves at a rapid pace, the need to stay at the "cutting edge" is necessary for the development of our students. The school's annual cost of leasing and updating software packages is \$48,000.

The monies received from the Kroger Community Rewards Program are used to defray those costs. For the calendar year January through October 2010 (the 4thq check will be sent to us in February,2011), our school has received over \$32,000!! It's what Msgr. calls FREE MONEY.

The Program is valid in all the Kroger stores throughout Michigan. First, you need to have a Kroger Plus Card (which gets you the normal discounts in the store). The next step is to go online to www.krogercommunityrewards.com to "ENROLL." The attached pdf file explains the process. If you are able to enroll online, THANKS!. If you are experiencing difficulties, we can assist you in the registration process. Simply complete the form and email it to the Parish Center at www.rdf@sjascs.org and we'll do the rest.

The Kroger Community Rewards Program is a great way to support our alma mater WITHOUT COSTING A DIME!! If you have any questions, we'll be happy to answer them. Call the Parish Center at 586 777-3670 and ask for 'Mr. Kroger'."
